

South Winnipeg Recreation Campus

**Open House
Bison Run School
March 22, 2025**

Background

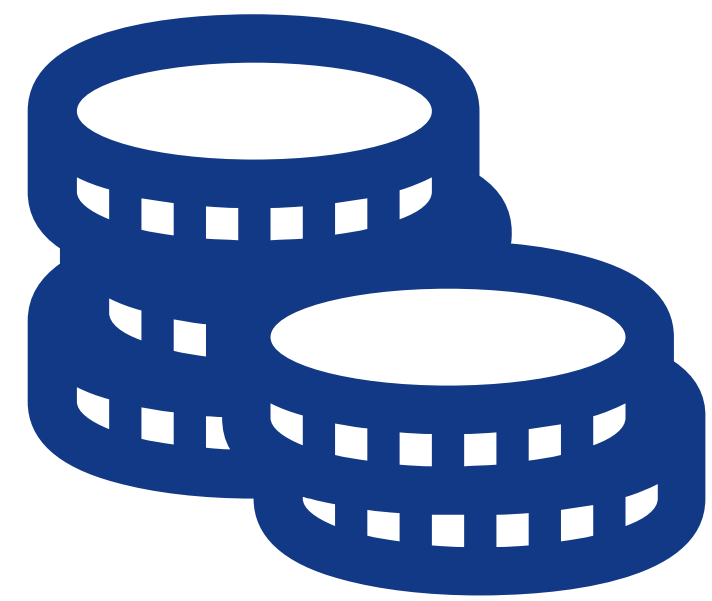

- We're building a new regional recreation campus in southwest Winnipeg.
- The campus will be a place where families and individuals can enjoy various activities all in one location.
- Phase 1 will be 111,000 square feet and serve over 120,000 residents.
- The campus will be built on Bison Drive west of Frontier Trail and east of Kenaston Boulevard.
- The site is connected to walking, biking, and transit routes.

What we've been working on

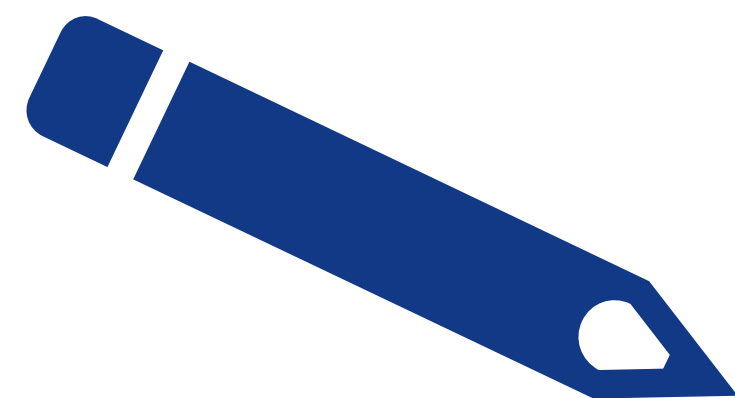

We gathered input from residents in winter 2022/23. Residents told us what activities they want to do and how they will use the new recreation campus.

We secured funding for construction from the City of Winnipeg, the Government of Manitoba and the Government of Canada. \$118 million is budgeted to build the first phase of the recreation campus.

We mailed a project update to nearby residents in winter 2024/25.

We now have a design to share that shows what the spaces and amenities will look like.

Site plan – Phase 1

Phase 1 includes:

- 1 Triple gymnasium with walking/running track upstairs
- 2 Fitness area
- 3 Six multi-purpose rooms
- 4 Serving kitchen
- 5 Child care centre
- 6 Playground for child care centre
- 7 Outdoor spray pad
- 8 Pick-up/drop off areas

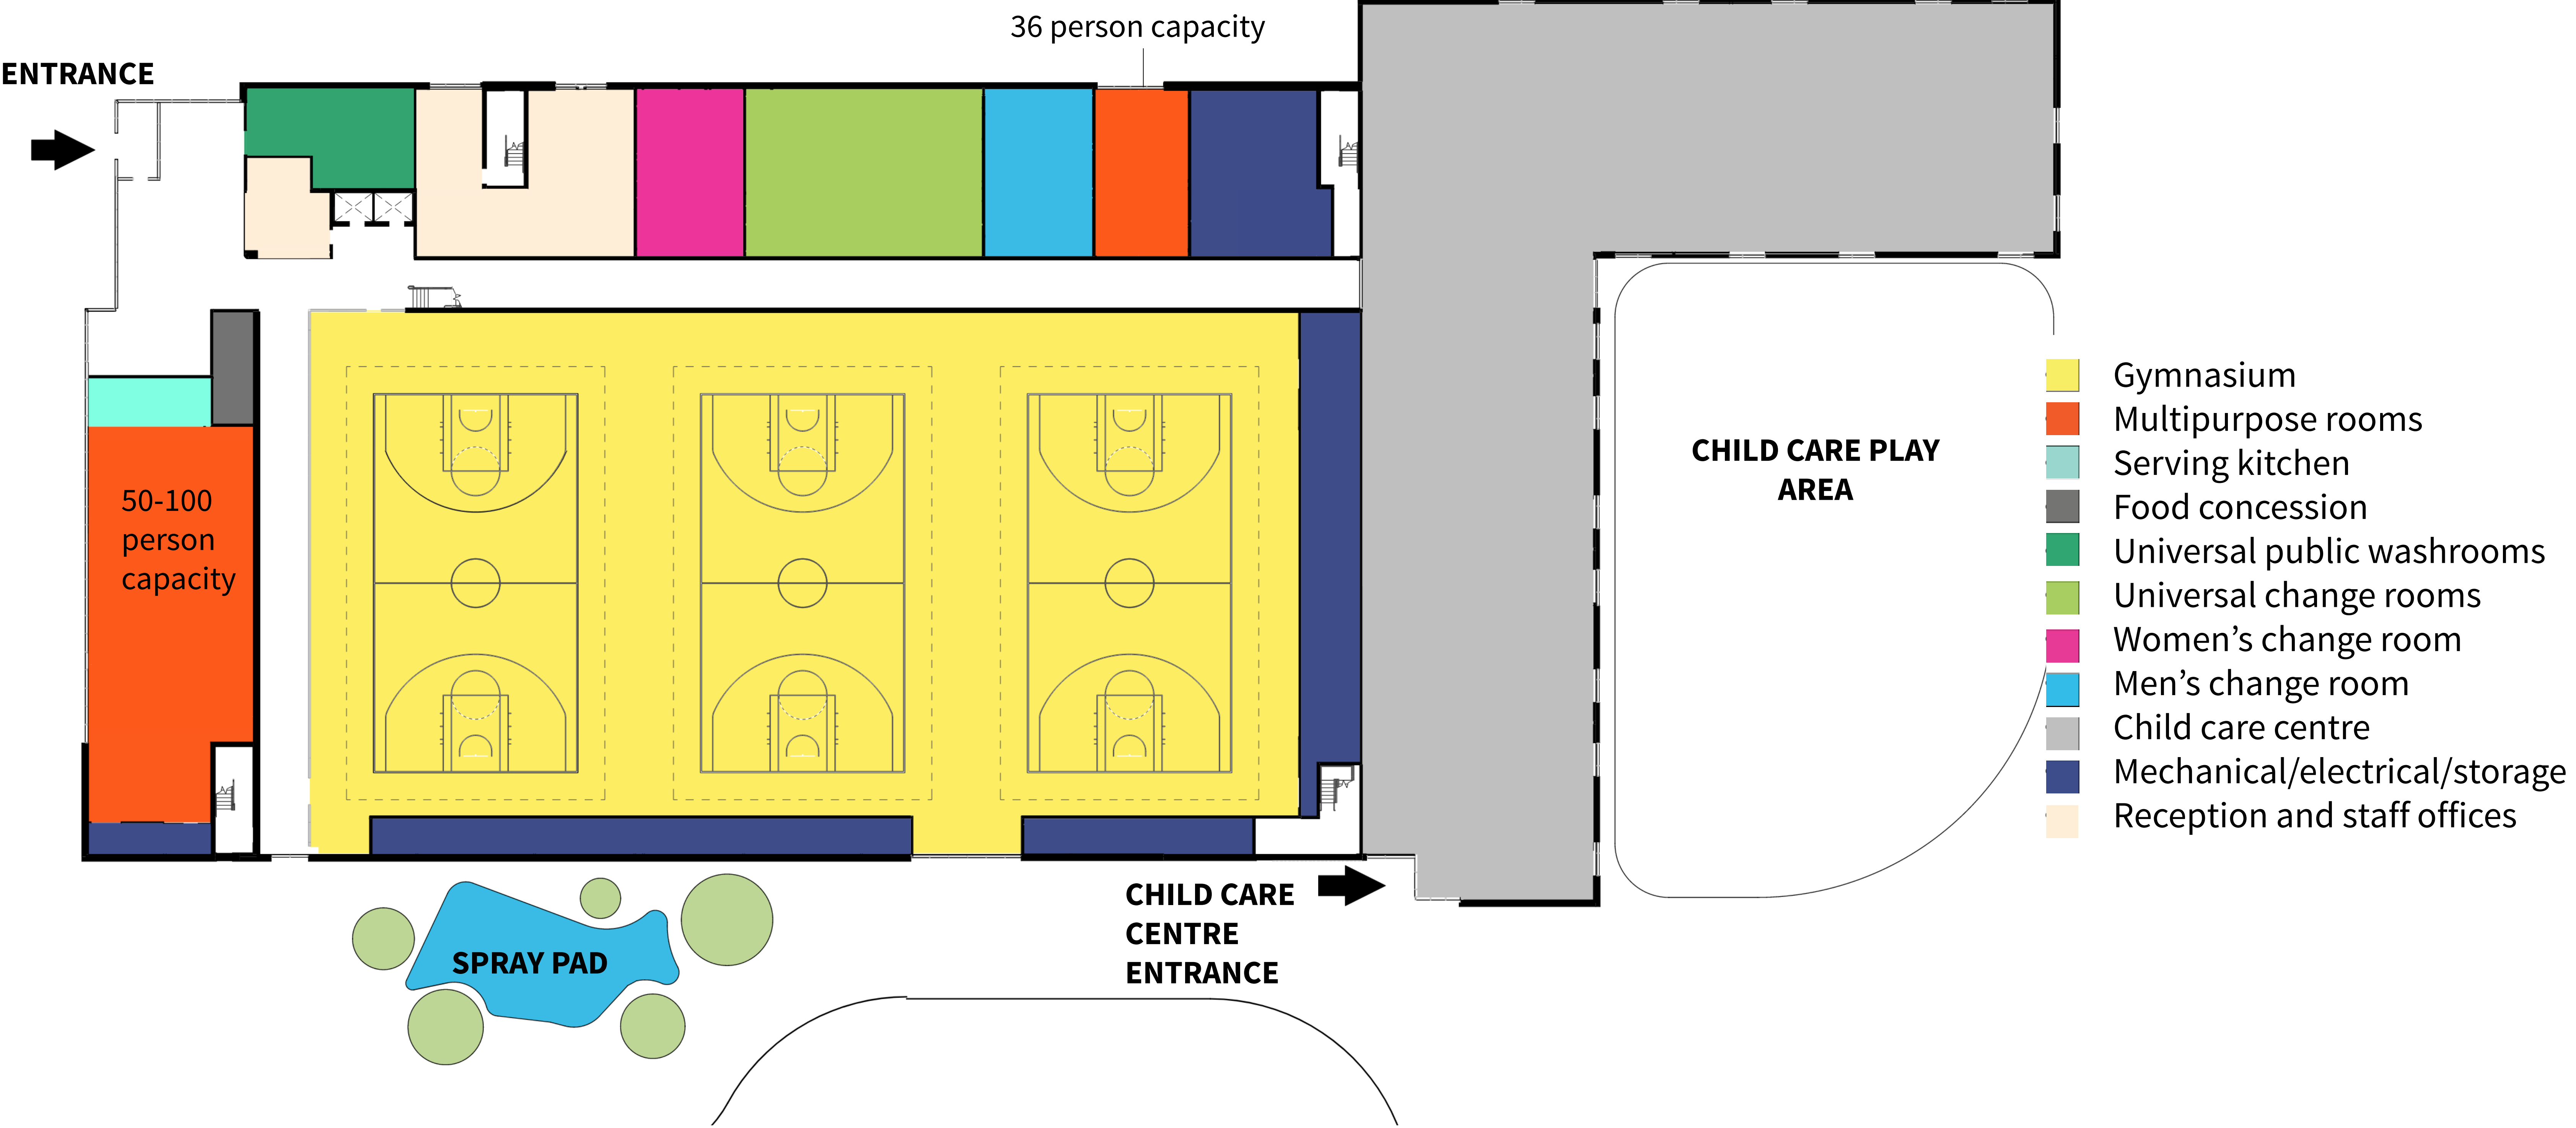

Site plan – Future phases

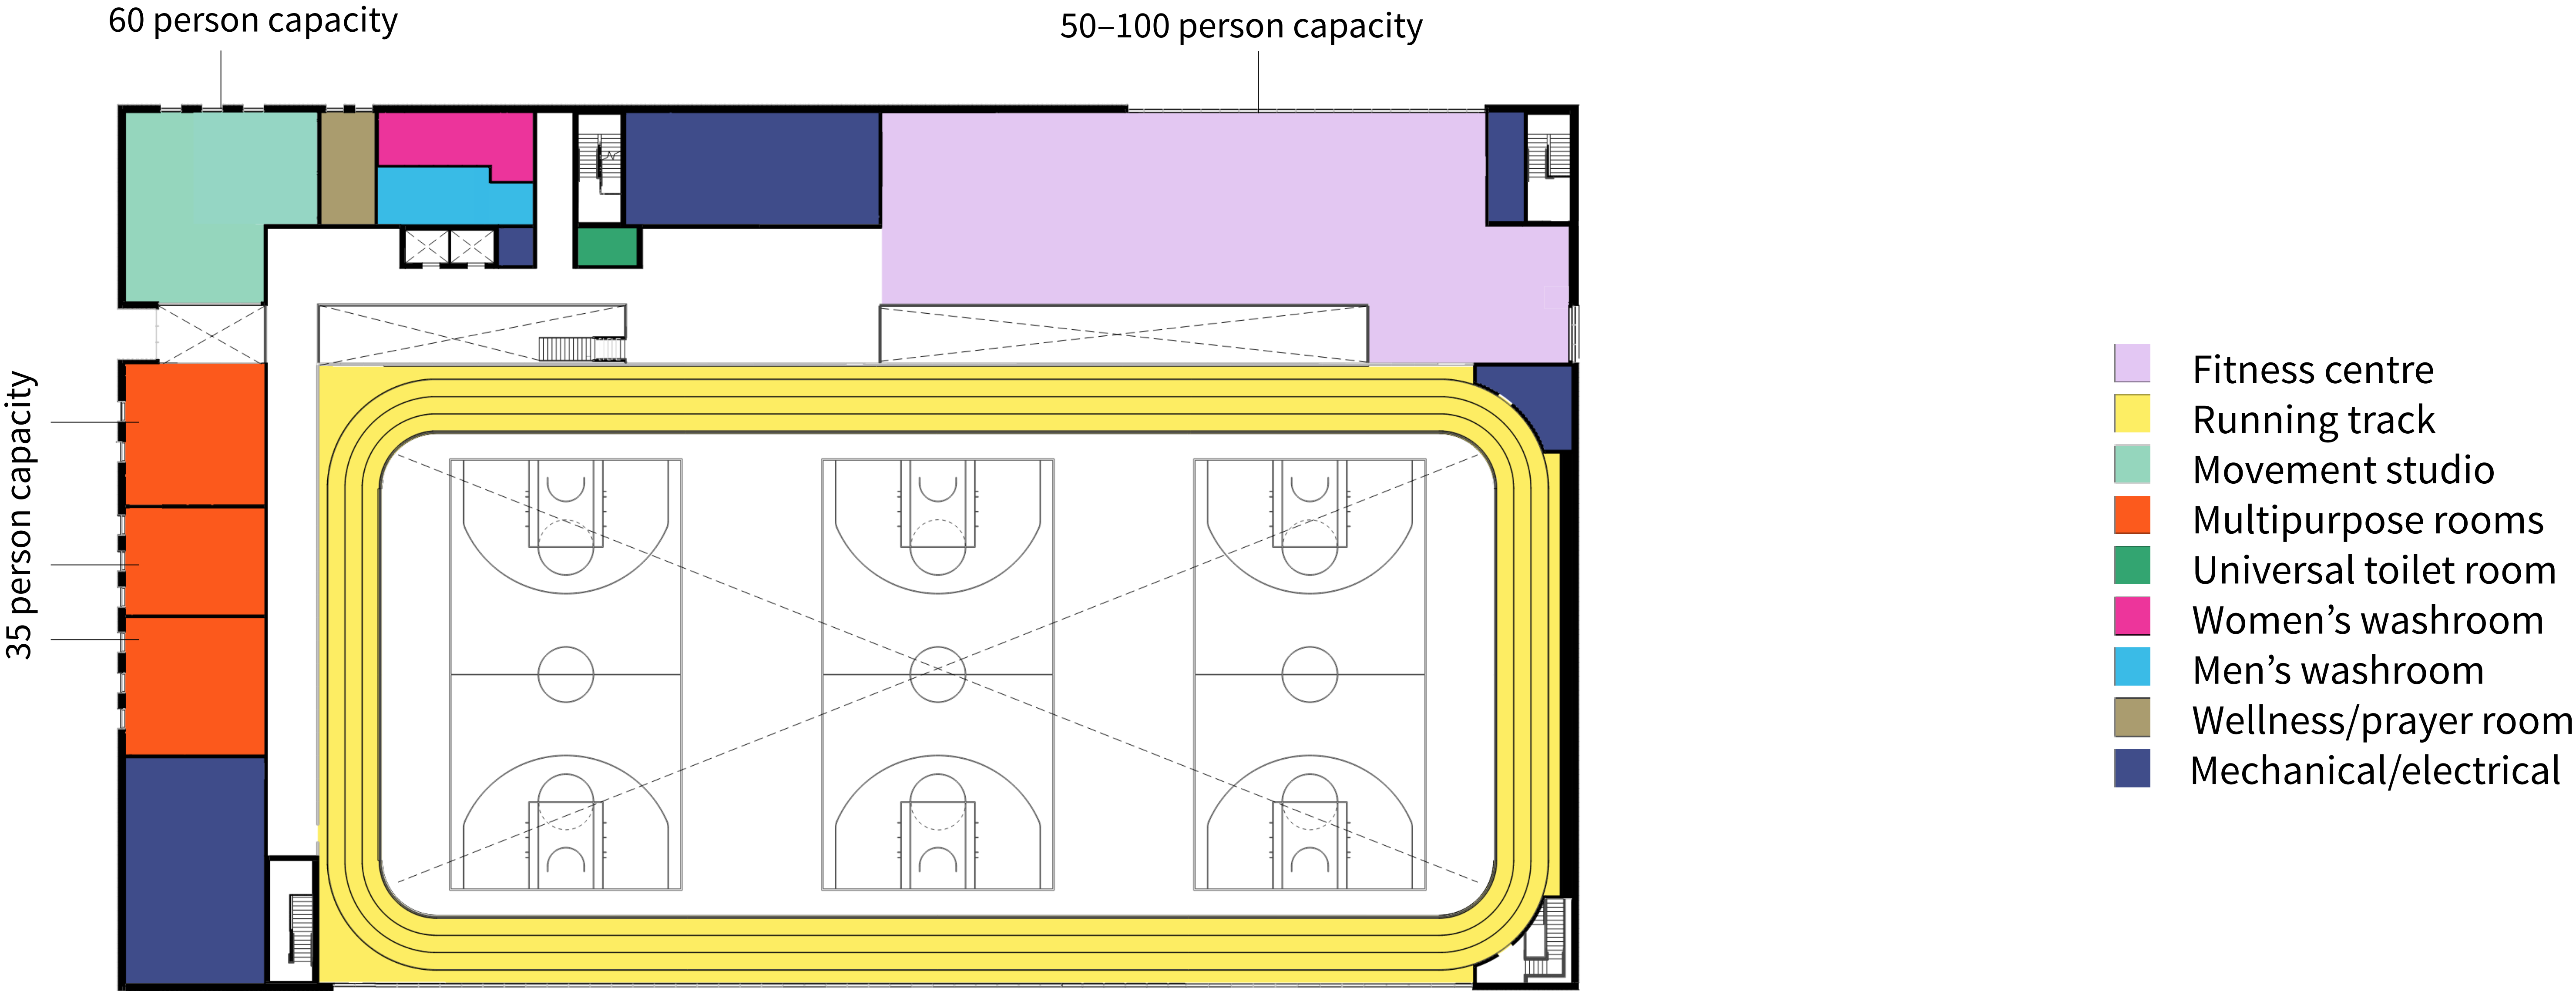

Future phases may include:

- 1 Aquatics centre
- 2 Indoor ice arena (two ice sheets)
- 3 Library
- 4 Outdoor courts
- 5 Outdoor athletic field
- 6 Picnic shelters
- 7 Outdoor lounge area
- 8 BMX/Skateboard/Scooter park

Main floor – Phase 1

Second floor – Phase 1

Exterior

View of the main entrance from the parking lot (west side)

Entrance

Main entrance, lobby, and information desk

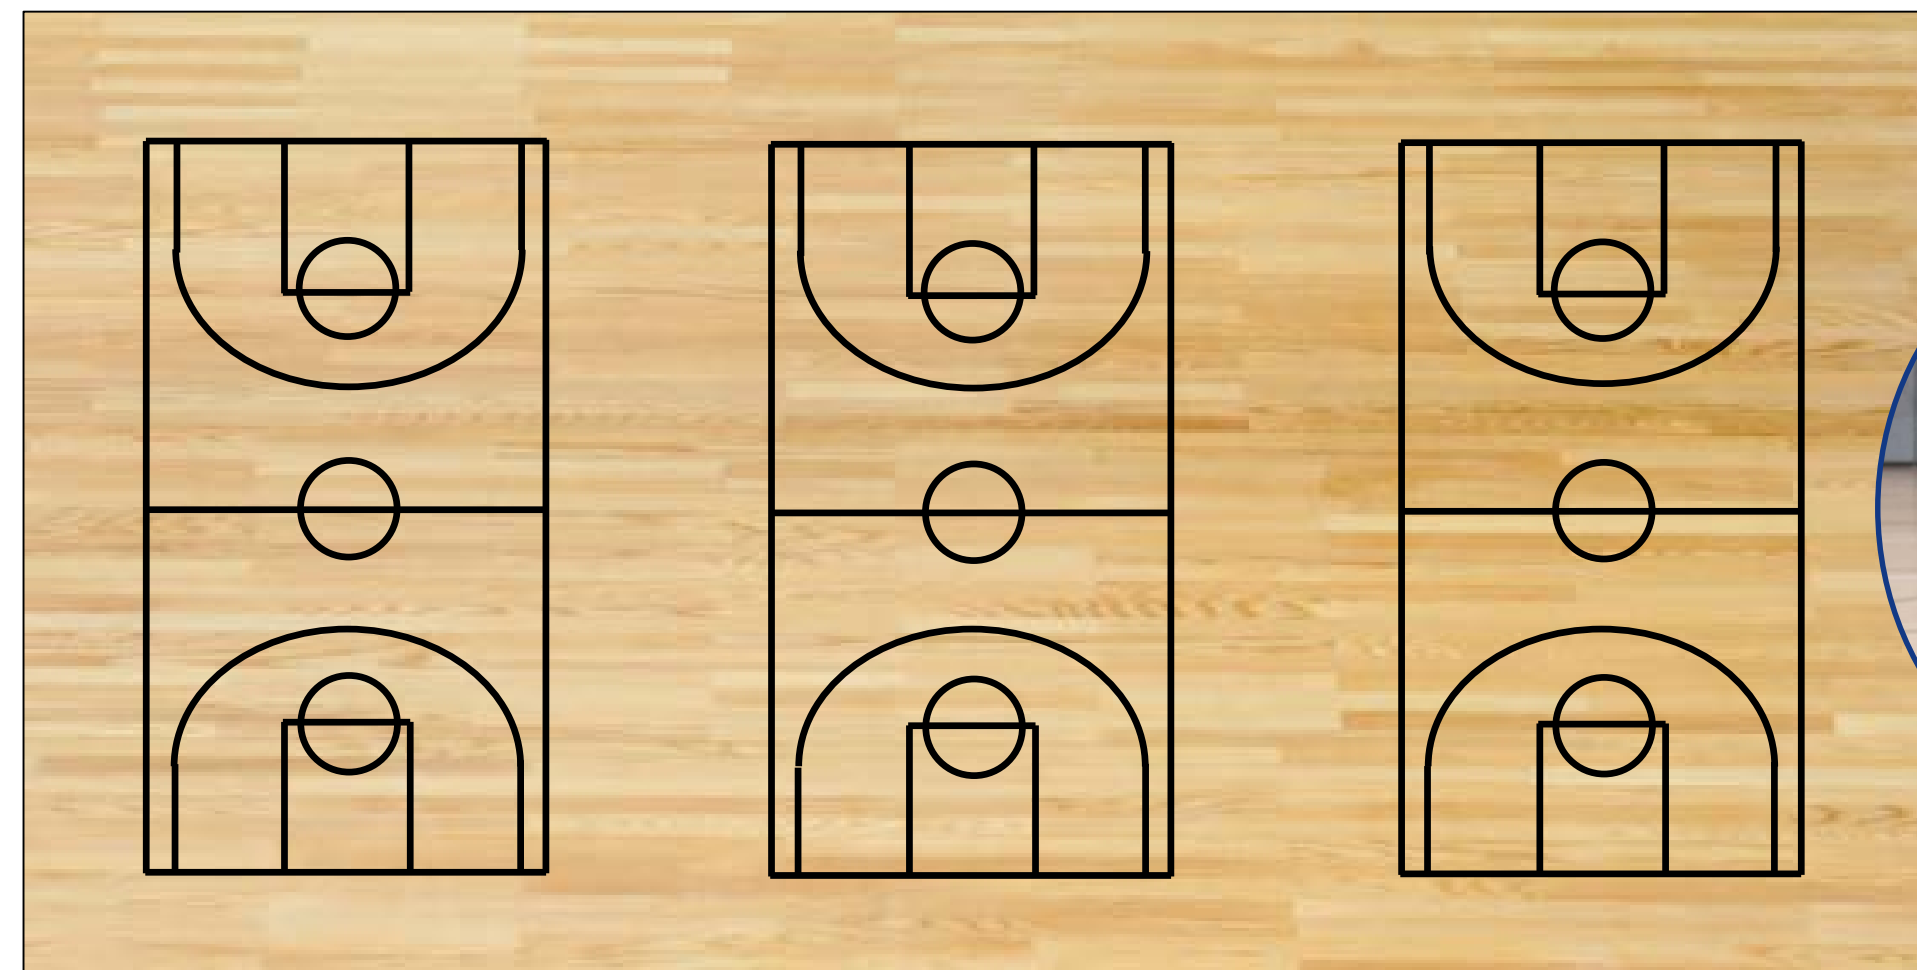

Gymnasium

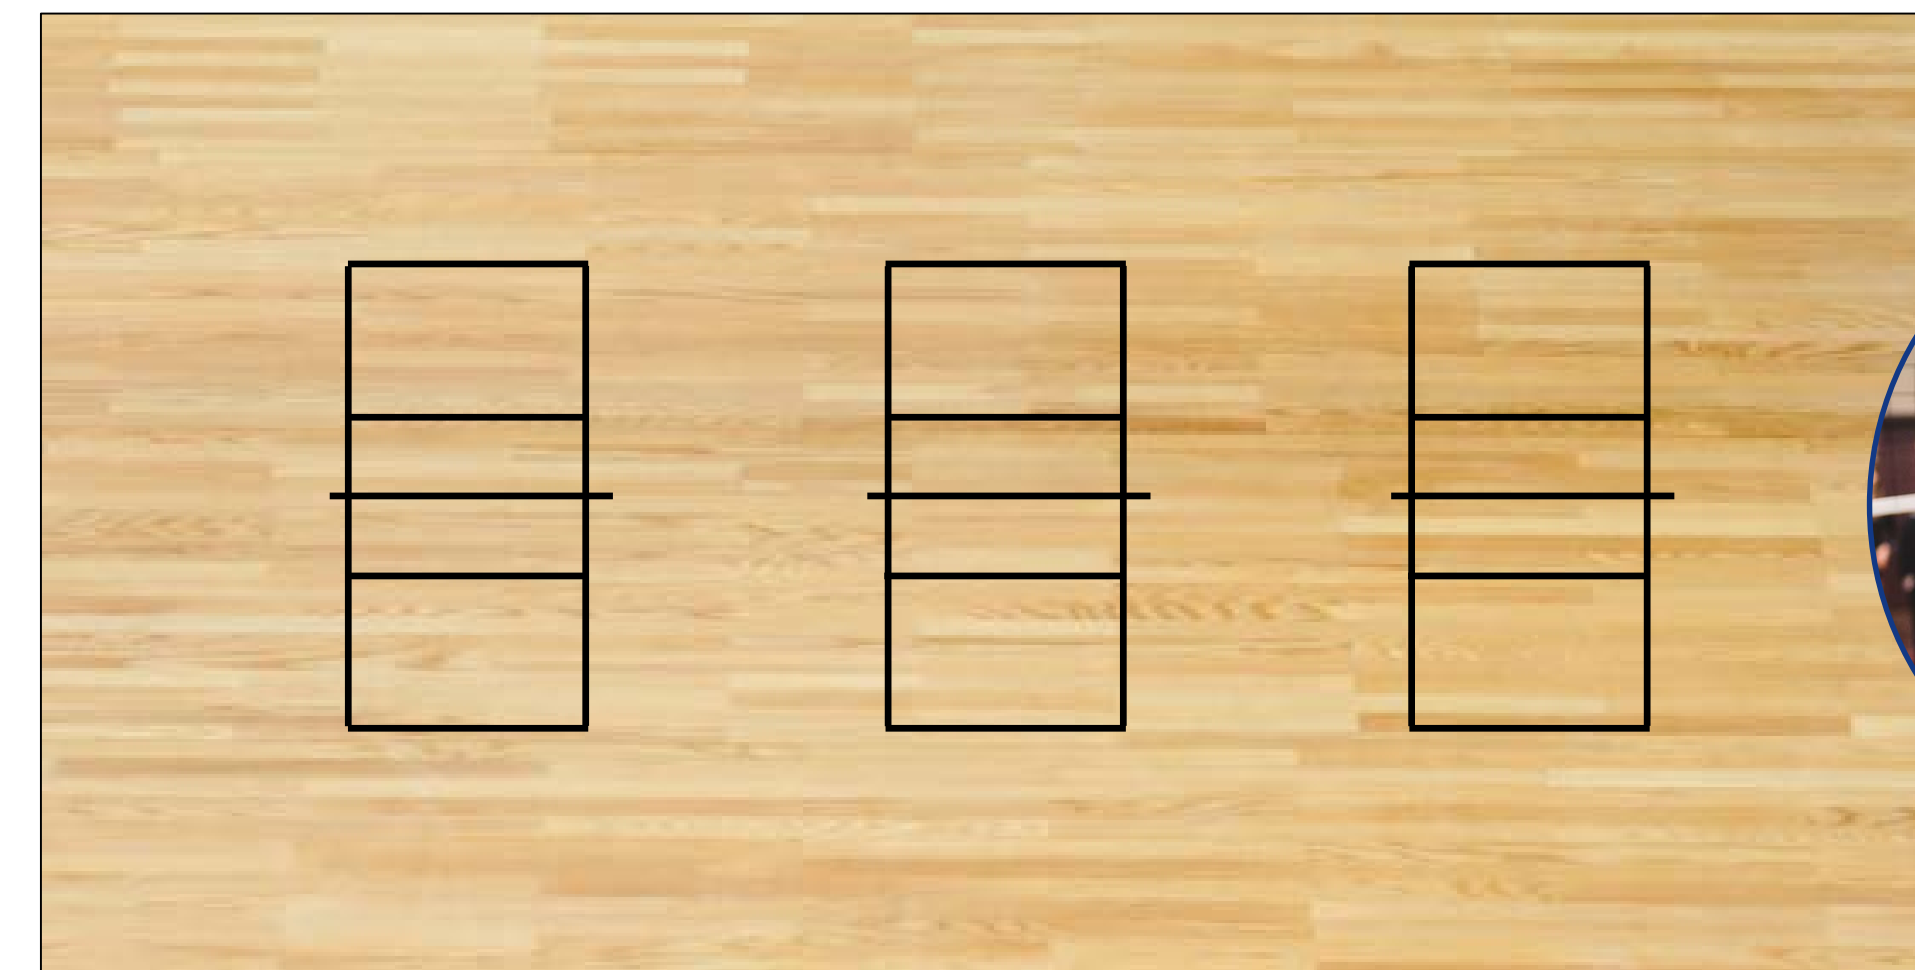

Gymnasium with walking/running track on the second floor

Gymnasium

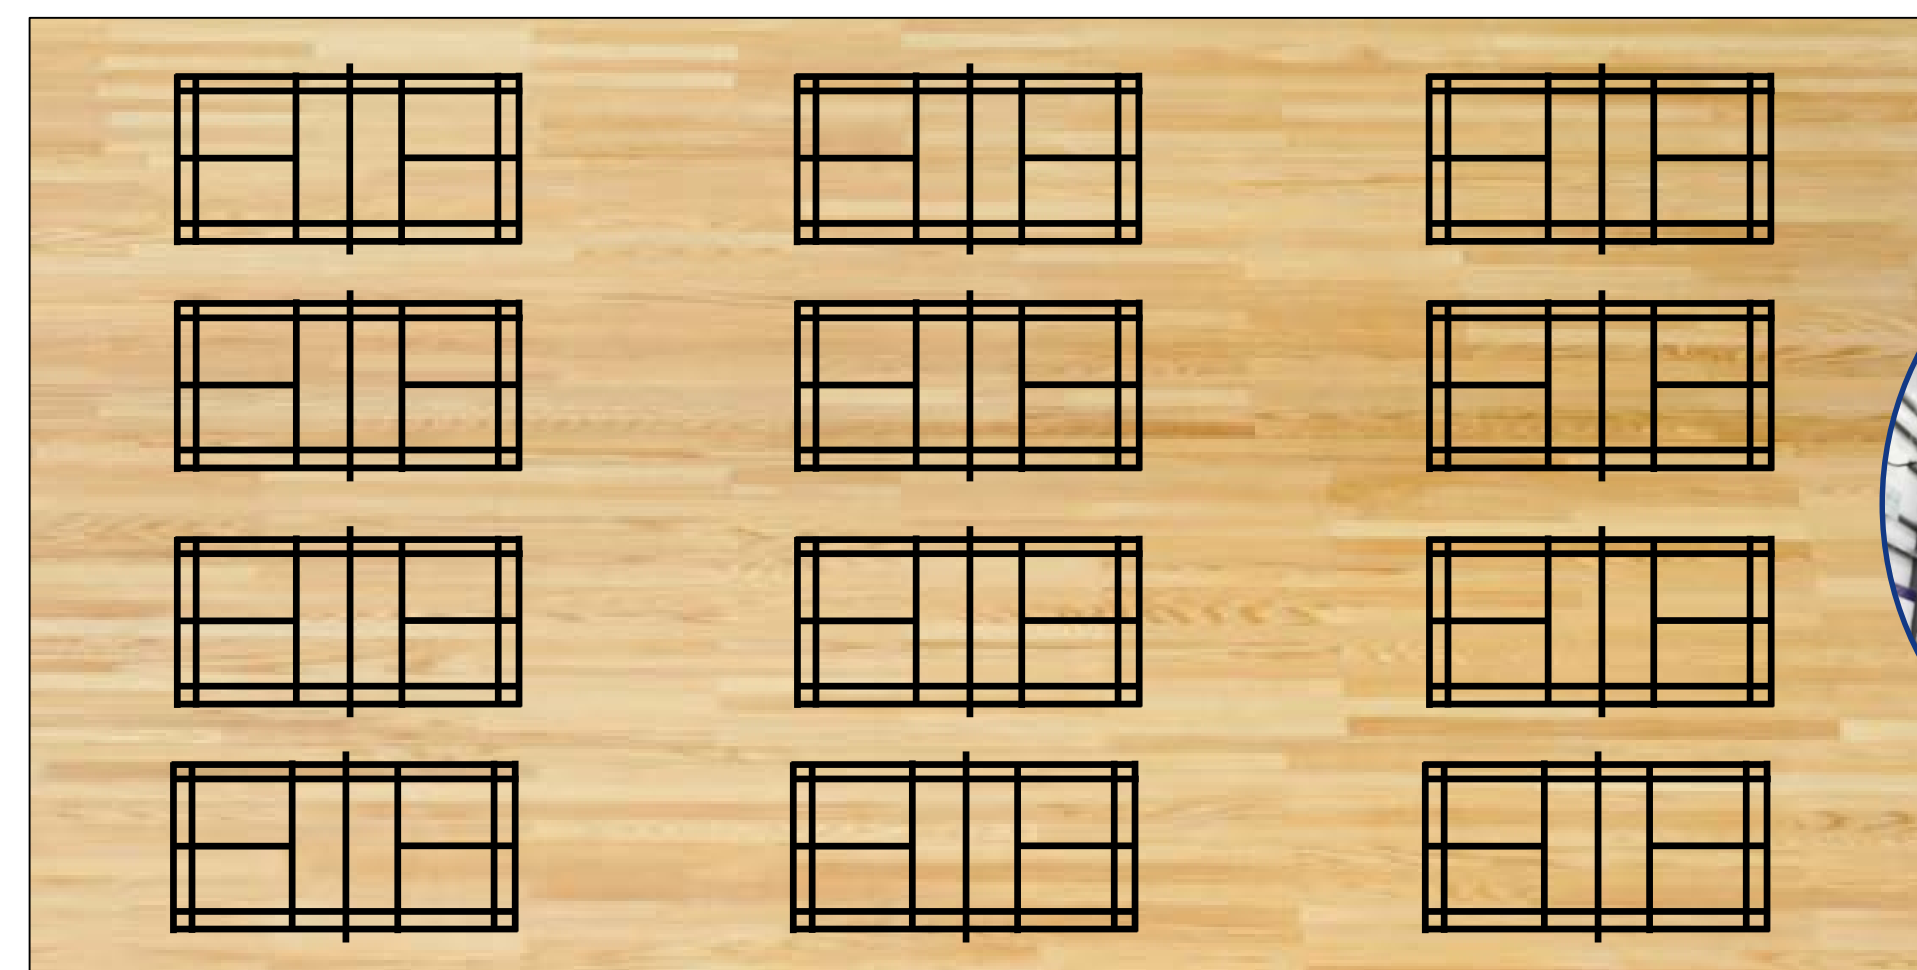

The gymnasium can be set up for different sports including badminton, pickleball, volleyball, and basketball.

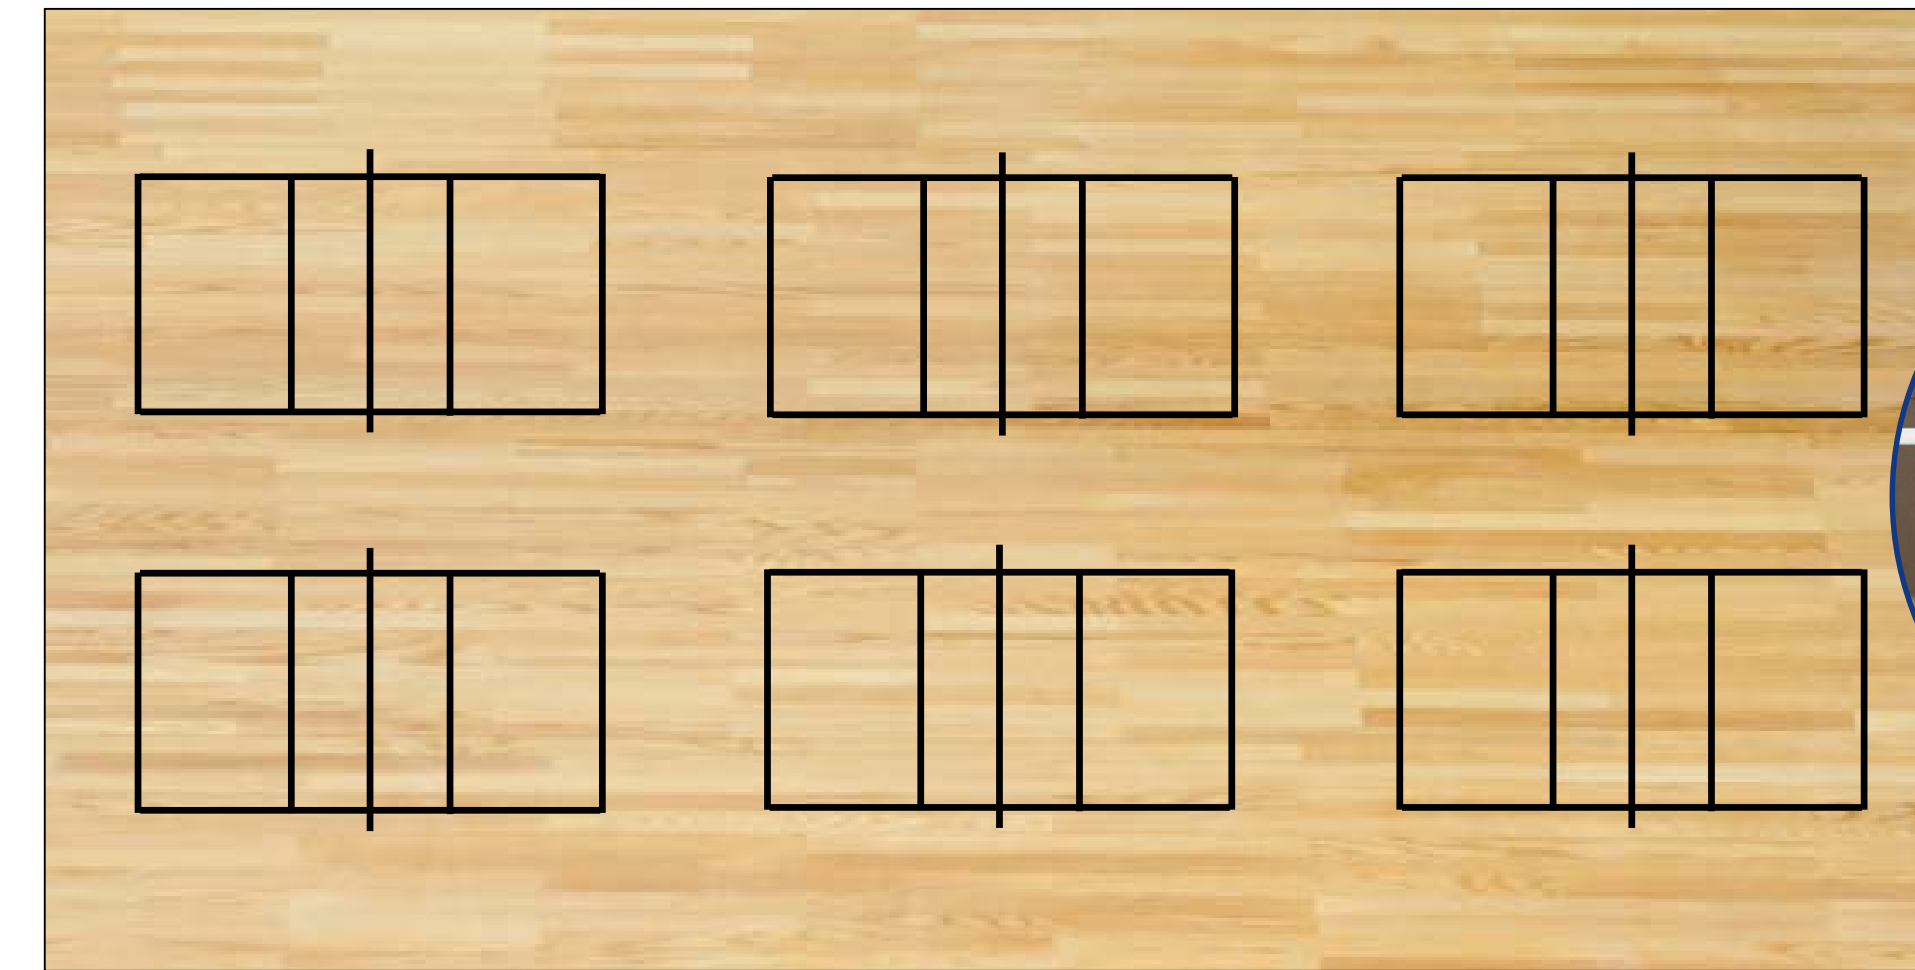

Three basketball courts

Three volleyball courts

Twelve badminton/pickleball courts

Six volleyball courts

Fitness area and running track

Fitness area with walking/running track, cardio, weights, and stretching areas

Movement studio

Movement studio for classes like dance, yoga, zumba, and more

Multipurpose room

Example a multipurpose room with kitchen

Spray pad

Outdoor spray pad on the south side

Child care centre

- The child care centre is expected to open in 2028.
- There are 176 spaces planned for children 12 weeks to six years old.
- The child care centre will have its own drop-off/pick-up area and secure outdoor play area.
- Pembina Trails School Division will secure a non-profit operator in 2027.
- After an operator is selected in 2027, enrollment information will be available on the Manitoba Child Care Search webpage: childcaresearch.gov.mb.ca

Accessibility

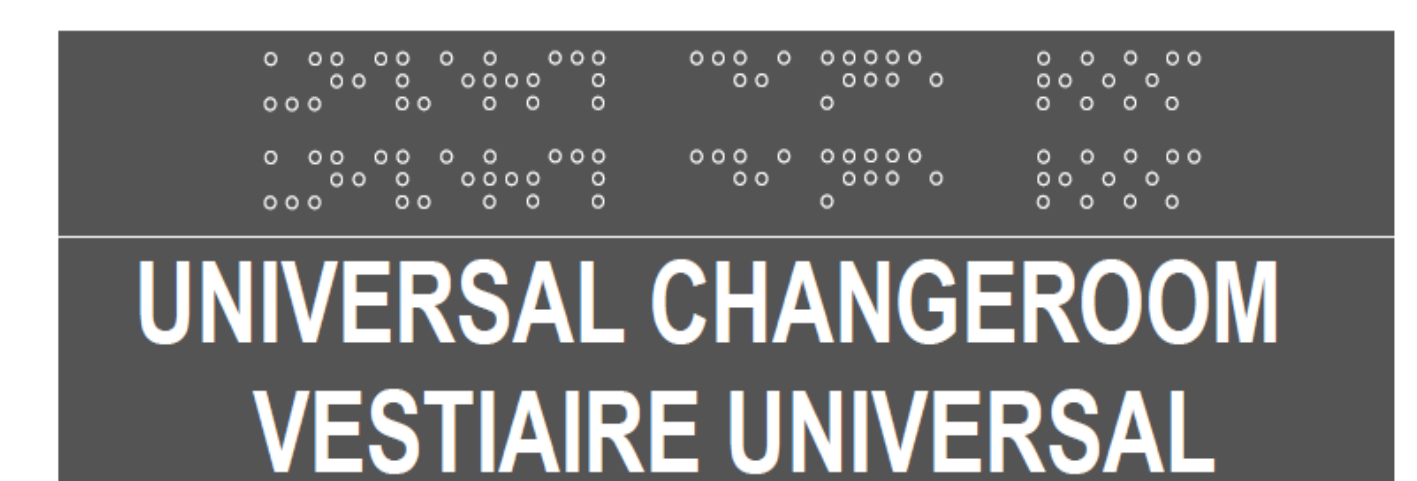

The SWRC will be built to the City of Winnipeg's accessibility standards.

First floor accessibility features

- Accessible parking stalls and elevators
- Extra-large universal toilet room with adult change tables
- Universal toilets with accessible stalls and floor-to-ceiling walls
- Accessible showers and toilets in women's change room
- Large universal change cubicles and shower stalls and floor-to-ceiling walls
- Two extra-large universal change/shower/toilet rooms with adult change tables and person hoist
- Accessible showers and toilets in men's change room
- Gym storage room dedicated to inclusive sports equipment
- Hearing loops

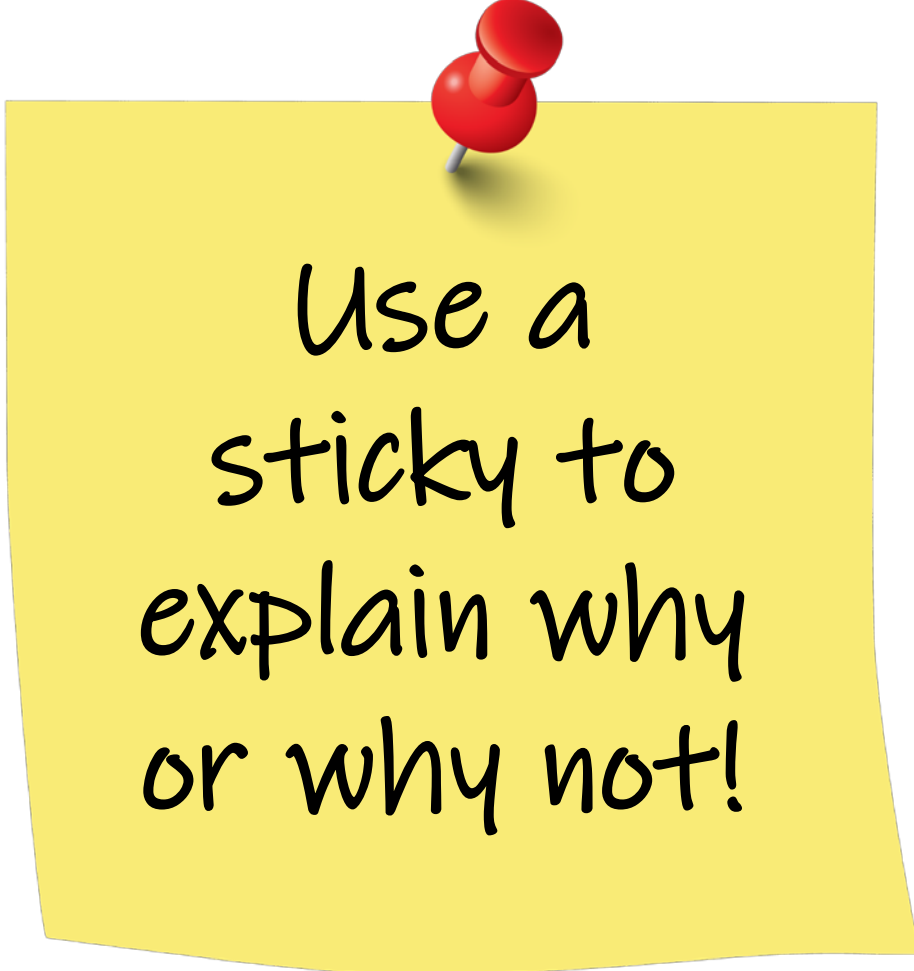

Second floor accessibility features

- Accessible stall in women's washroom
- Accessible stall in men's washroom
- Extra-large universal toilet room with adult change table
- Fitness centre with inclusive fitness equipment
- Hearing loops

Community needs

Will the South Winnipeg Recreation Campus meet the needs of you and your family?

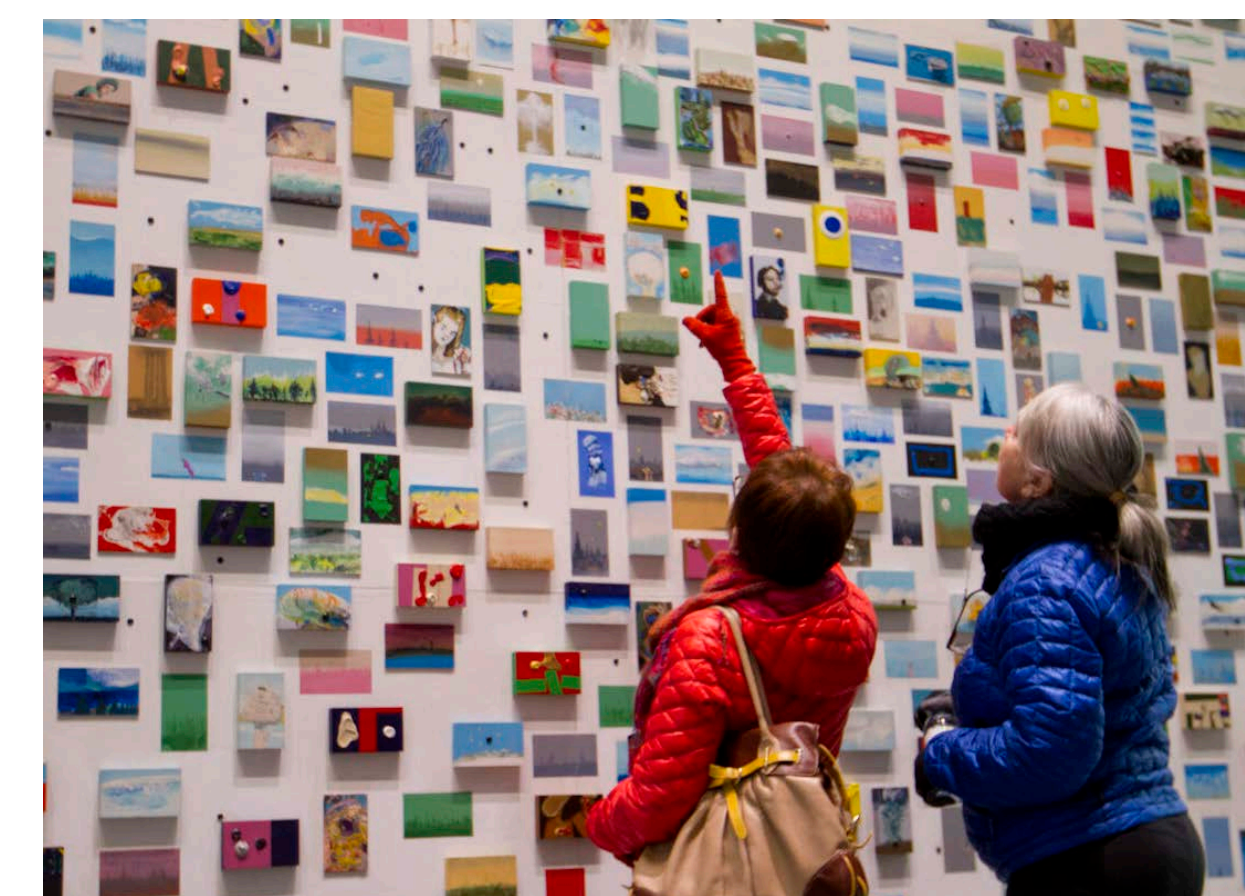

Use a
sticky to
explain why
or why not!

Public art

We are planning public art for the South Winnipeg Recreation Campus.
What stories would you like the public art to tell?

your ideas!

Phase 2 – aquatic centre

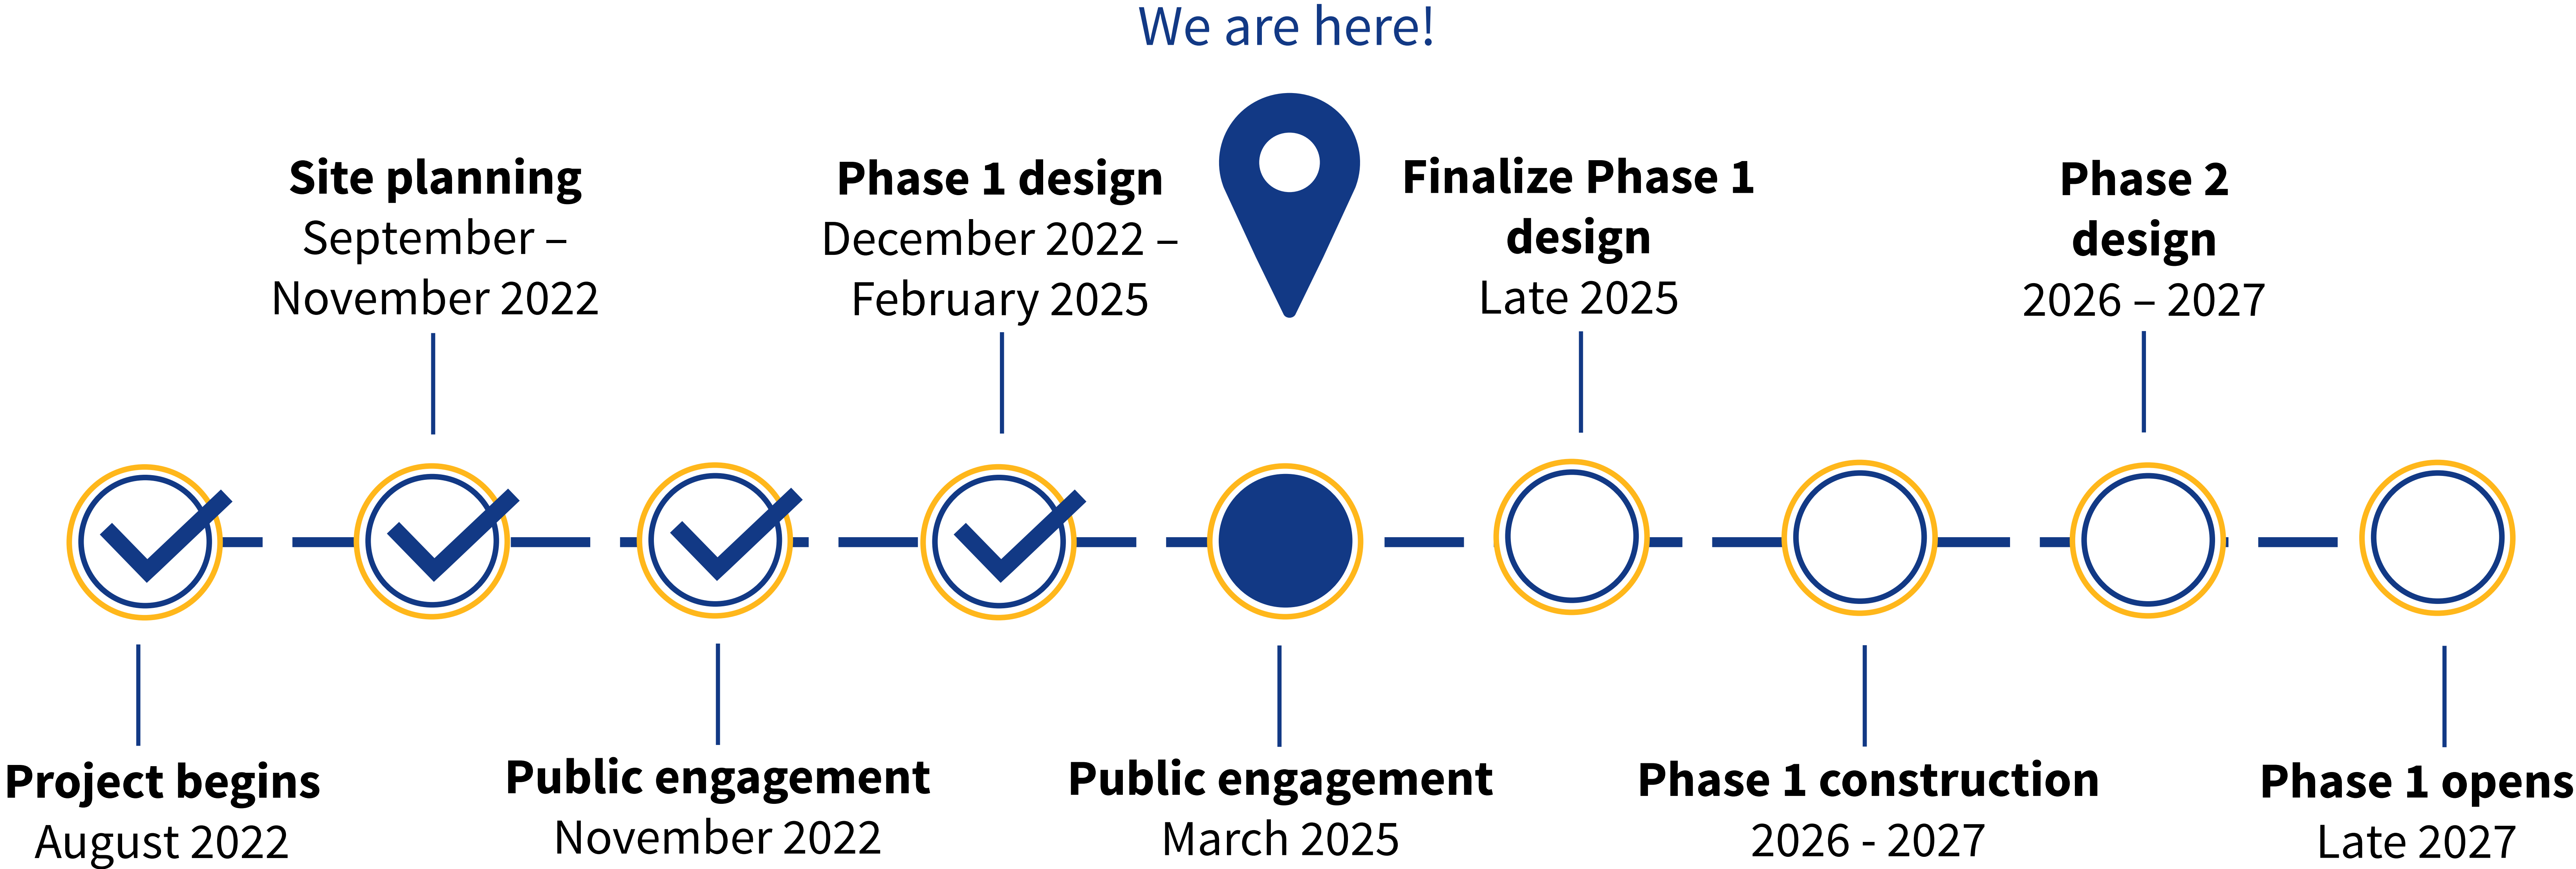

- Funding is available to start designing the aquatic centre in 2026.
- The aquatic centre includes:
 - o A lap pool
 - o A leisure pool
 - o Change rooms
 - o Other fun water amenities
- The aquatic centre is expected to cost \$55 million (-50% to +100%).
- Council approval and funding is needed before construction starts.

Future phases

- Future phases include:
 - an indoor arena with two ice sheets
 - a library
 - outdoor courts
 - an athletic field
- The arena is expected to cost \$70 million (-50% to +100%).
- The library is expected to cost \$17 million (-50% to +100%).
- Council approval and funding is needed before design and construction starts.

Where we are

Phase 1 includes:

- Gymnasiums
- Multipurpose rooms
- Serving kitchen
- Fitness area
- Child care centre
- Spray pad

Phase 2 includes:

- Lap pool
- Leisure pool
- Change rooms
