

Help us make Wolseley Avenue work for your community

Wolseley to Downtown Walk Bike Project - Phase 4

This summer, we will turn Wolseley into a neighbourhood greenway. We will reduce the speed limit to 30 km/h and install speed tables, raised crosswalks, and curb bump-outs.

Ahead of this, we want to know what the community hopes the transition to neighbourhood greenway will achieve. Join us at a pop-up to learn more, talk to the project team, and tell us your thoughts.

If you have questions or require alternate formats to participate, please contact WolseleytoDowntown@winnipeg.ca or 204-924-4144.
