# North Garage Replacement Project

We are building a new bus garage  
at the intersection of Oak Point  
Highway and Selkirk Avenue.

Join us at an information session to learn more

Monday, May 27, 2024 Tyndall Park Community Centre  
6 p.m. to 7:30 p.m. 2255 King Edward St.

**Winnipeg Transit**

## The new garage will replace Transit's existing North Garage on Main Street.

The existing Garage is beyond its useful  
life and too small for future needs.

We want to introduce the project to the community.  
We also want to understand any concerns you may have.
