

Old Ex Renewal

Recreation and parks improvements workshop
Sergeant Tommy Prince Place
August 17, 2022

Old Ex Renewal - Background

- During the 2018 North District Police Station engagement process, community members expressed concern about how construction could impact outdoor recreation facilities and greenspace.
- Improvements are planned for the outdoor area adjacent to Sargent Tommy Prince Place as part of the now-approved campus redevelopment – but we need community input to move forward on building a park space that works for you.
- There is \$900,000 set aside for the redevelopment of the tennis courts and greenspace.

Old Ex Renewal - Current State

- The outdoor recreation and sport courts at Sergeant Tommy Prince Place are at the end of their lifecycle.
- The tennis courts are in disrepair.
- The surrounding greenspace could be improved to be more accessible, safe, and beautiful.

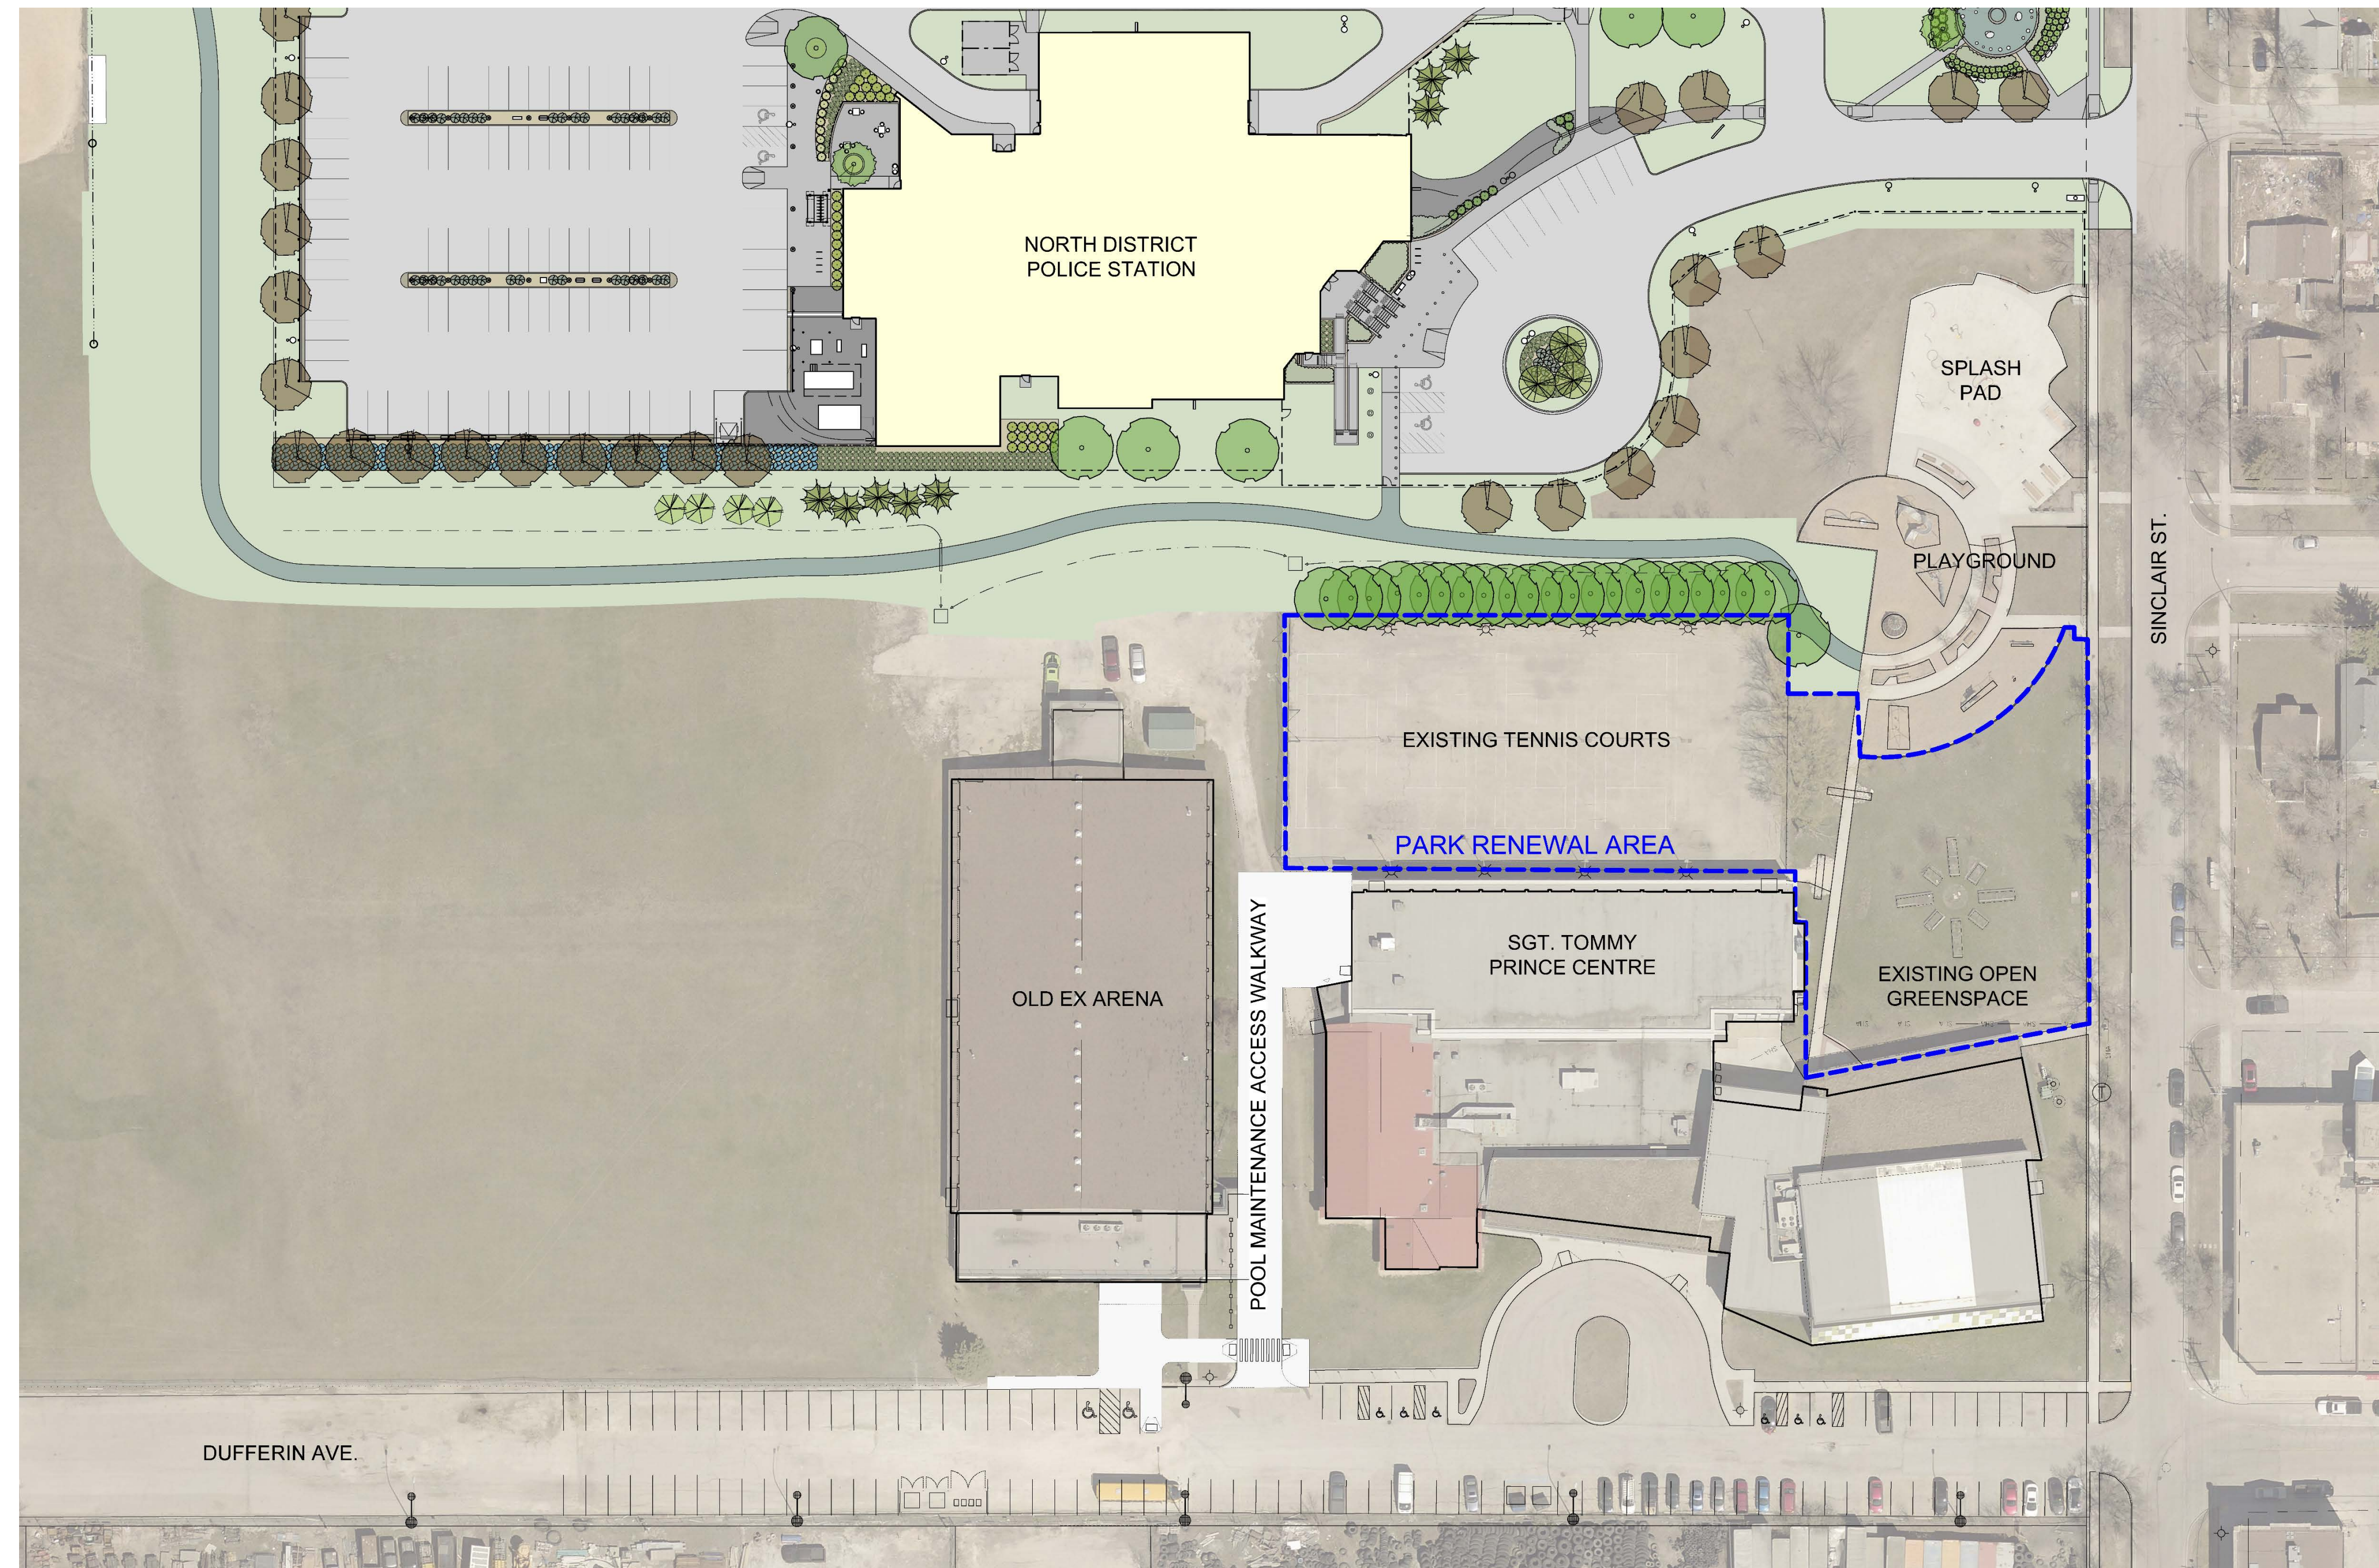

Old Ex Renewal - Recreation and Parks Improvements

- We need your help to learn about the community's needs and desires for recreation space.
- We also need to fill known service gaps in the neighbourhood.
- Examples of potential recreation improvements include: basketball courts, pickleball, tennis, or a skateboard park.
- Examples of potential park improvements include: more seating, garden boxes or flowerbeds, and playground equipment.

Join us in the workshop room to participate!

Old Ex Renewal - Tell Us What You Think!

1. View the large maps.

2. Place the recreation and park amenity stickers on the map to tell us what amenities you would like and where you want the amenities to go.

3. Add other amenities or comments using the sticky notes to the map.
