Comprehensive Integrated Waste Management Strategy Review

It's time to talk about waste.

The City is reviewing its plan for managing garbage and recycling. We want to hear your thoughts on the current garbage and recycling programs and services to understand what is working well, and what requires improvement.

Tell us what you think about garbage and recycling services. Scan the QR code to take the survey or post your ideas on the idea wall by **November 30, 2023**.

For inquiries or for those who require alternate formats in order to participate, please contact **wastestrategy@htfc.ca** or **204-986-4243**.
